BUILT RITE HOMES RECEIVES SILVER TOMMIE AWARD FOR PROJECT BUILD

BUILT RITE HOMES is very pleased to announce it has received a 2008 Silver Tommie Award from the Canadian Home Builders Association - Central Okanagan, in the category of Outstanding Contribution to the Housing Industry by an Individual or Group.

“We are extremely grateful to be recognized by our peers for this award, it is a first for Built Rite Homes and will be coveted for many years to come”, said Robert Anderson, company President. “We appreciate the opportunity to help build our community by partnering with the Central Okanagan Foundation on the PROJECT BUILD home for charity”.

The PROJECT BUILD home is the culmination of many months of hard work which included participation by over 60 local businesses. As Construction Manager for the project, Built Rite Homes would like to thank everyone who participated for their generosity in bringing construction of the home to a successful completion.

We look forward to continuing our tradition of building quality homes for our clients in 2009.

About Built Rite Homes

BUILT RITE HOMES is a Kelowna “**BuiltGreen**” certified custom home builder, one of the few builders in the Okanagan to attain this certification. They are now booking new home build projects for the Winter and Spring 2009 building season. For more information please contact:
